Docket No. H-122, Room N-2625  
U.S. Department of Labor  
200 Constitution Av., NW  
Washington, D.C. 20210

Dear OSHA:

We oppose the proposed OSHA regulation regarding indoor smoking and do not want it passed.

We do not have space to designate for a smoking room and more importantly do not have the money to pay for special ventilation system. We already accommodate both smokers and non-smokers and we don't want OSHA helping us to run our business. We think this is unnecessary and a government intrusion.

Sincerely,

  
Gary R. Harney
